

Pay Taxes Later: The Key to Your Financial Security

You will want to bring this expert on air to discuss:

- Will you have enough money to last for the rest of your life?
- The new Roth 401(k) – Is it right for you?
- How to avoid the 5 biggest retirement planning mistakes.
- How you should respond to the proposed repeal of the federal estate tax.
- Cut taxes on your IRA withdrawals.
- The most important thing you can do when you are laid off or retire.
- The best way for women to save for retirement.
- *Pay Taxes Later* – The key to making your money last as long as you do.
- Why nobody believes the financial “experts”.
- Why paying taxes later can make the difference between lounging at the country club and collecting bottles on skid row.
- The strange reason why estate tax repeal may be the worst thing that could happen to your family.
- Why rolling your 401(k) into an IRA could save your children \$1,000,000.
